

CASE STUDY • UX AND UI DESIGN • WEB DESIGN AND DEVELOPMENT

Riscam

THE CLIENT

Riscam

A clear corporate website that explains Riscam's investigation and risk services and turns visitors into appointments.

Industry	Consulting
Location	Douala and Yaounde, Cameroon
Year	2025

HOW WE DID IT

4 steps

- 01** Mapped the services and the questions clients ask first
 - 02** Designed a dark, serious look that matches an investigation firm
 - 03** Built every page in WordPress and Elementor so the team can edit it
 - 04** Set up SEO, speed caching and a language switcher before launch
-

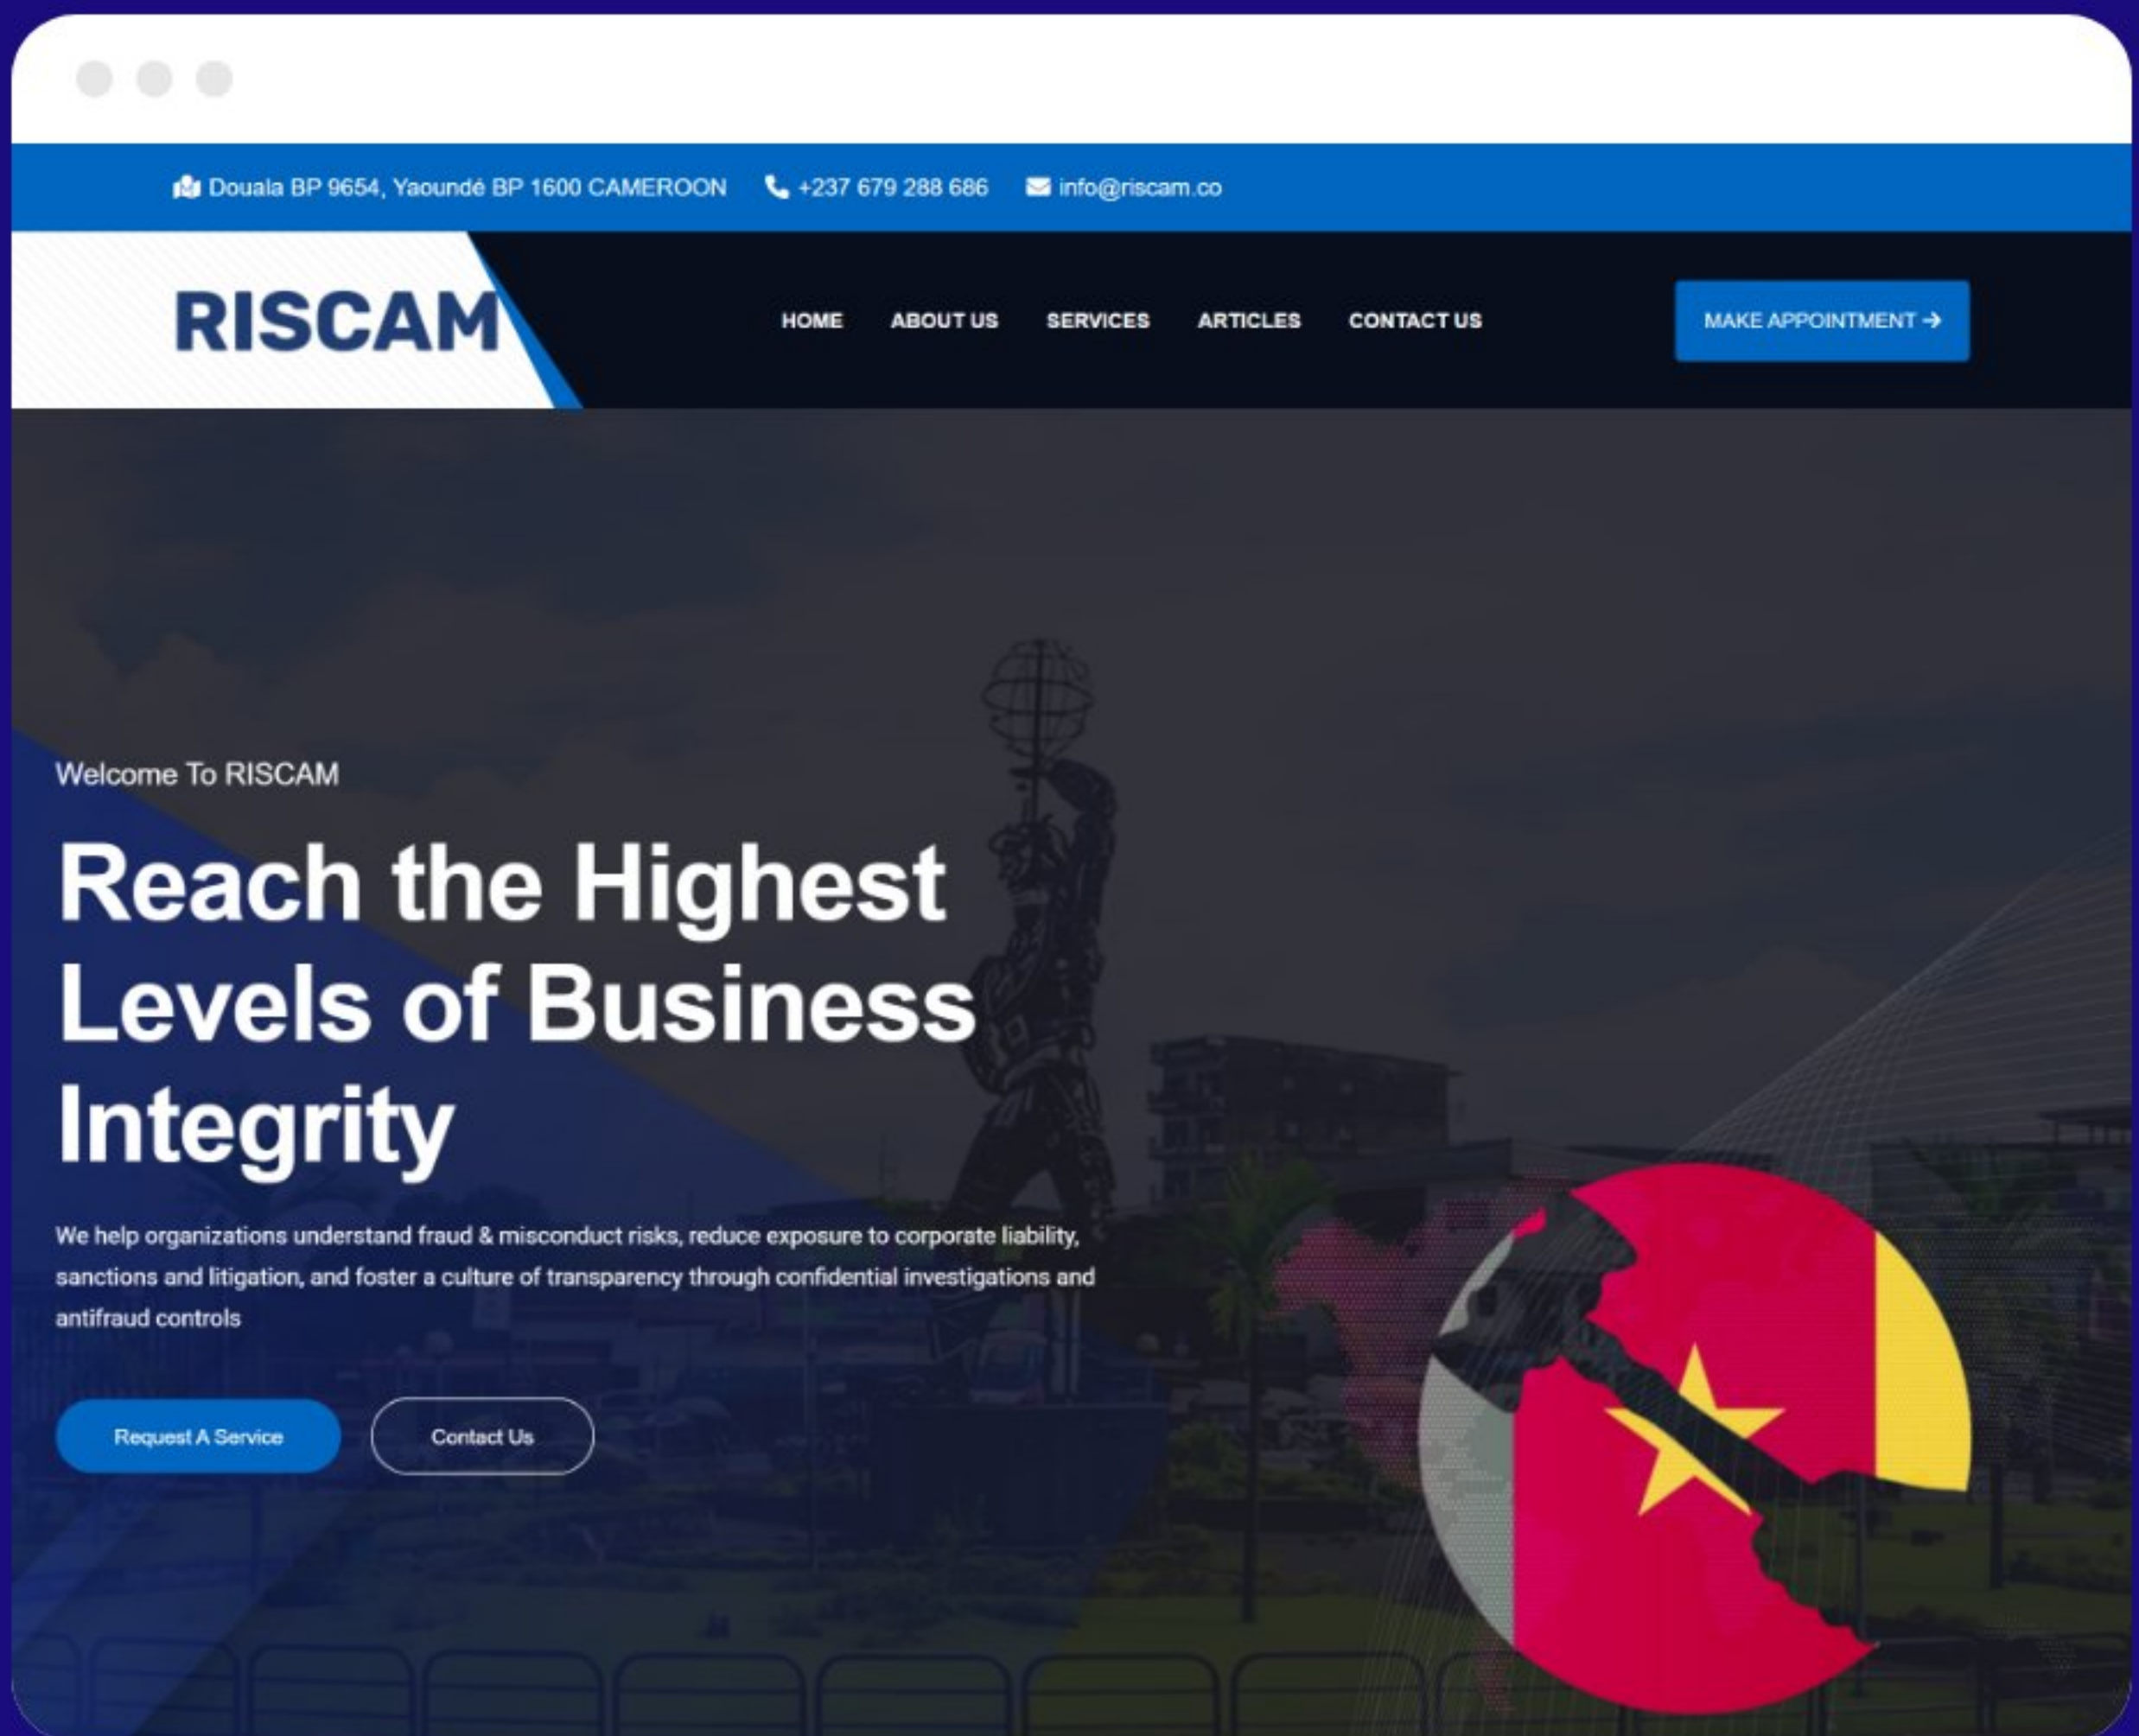

THE NEW WEBSITE

Built for every screen

DESKTOP

First impression

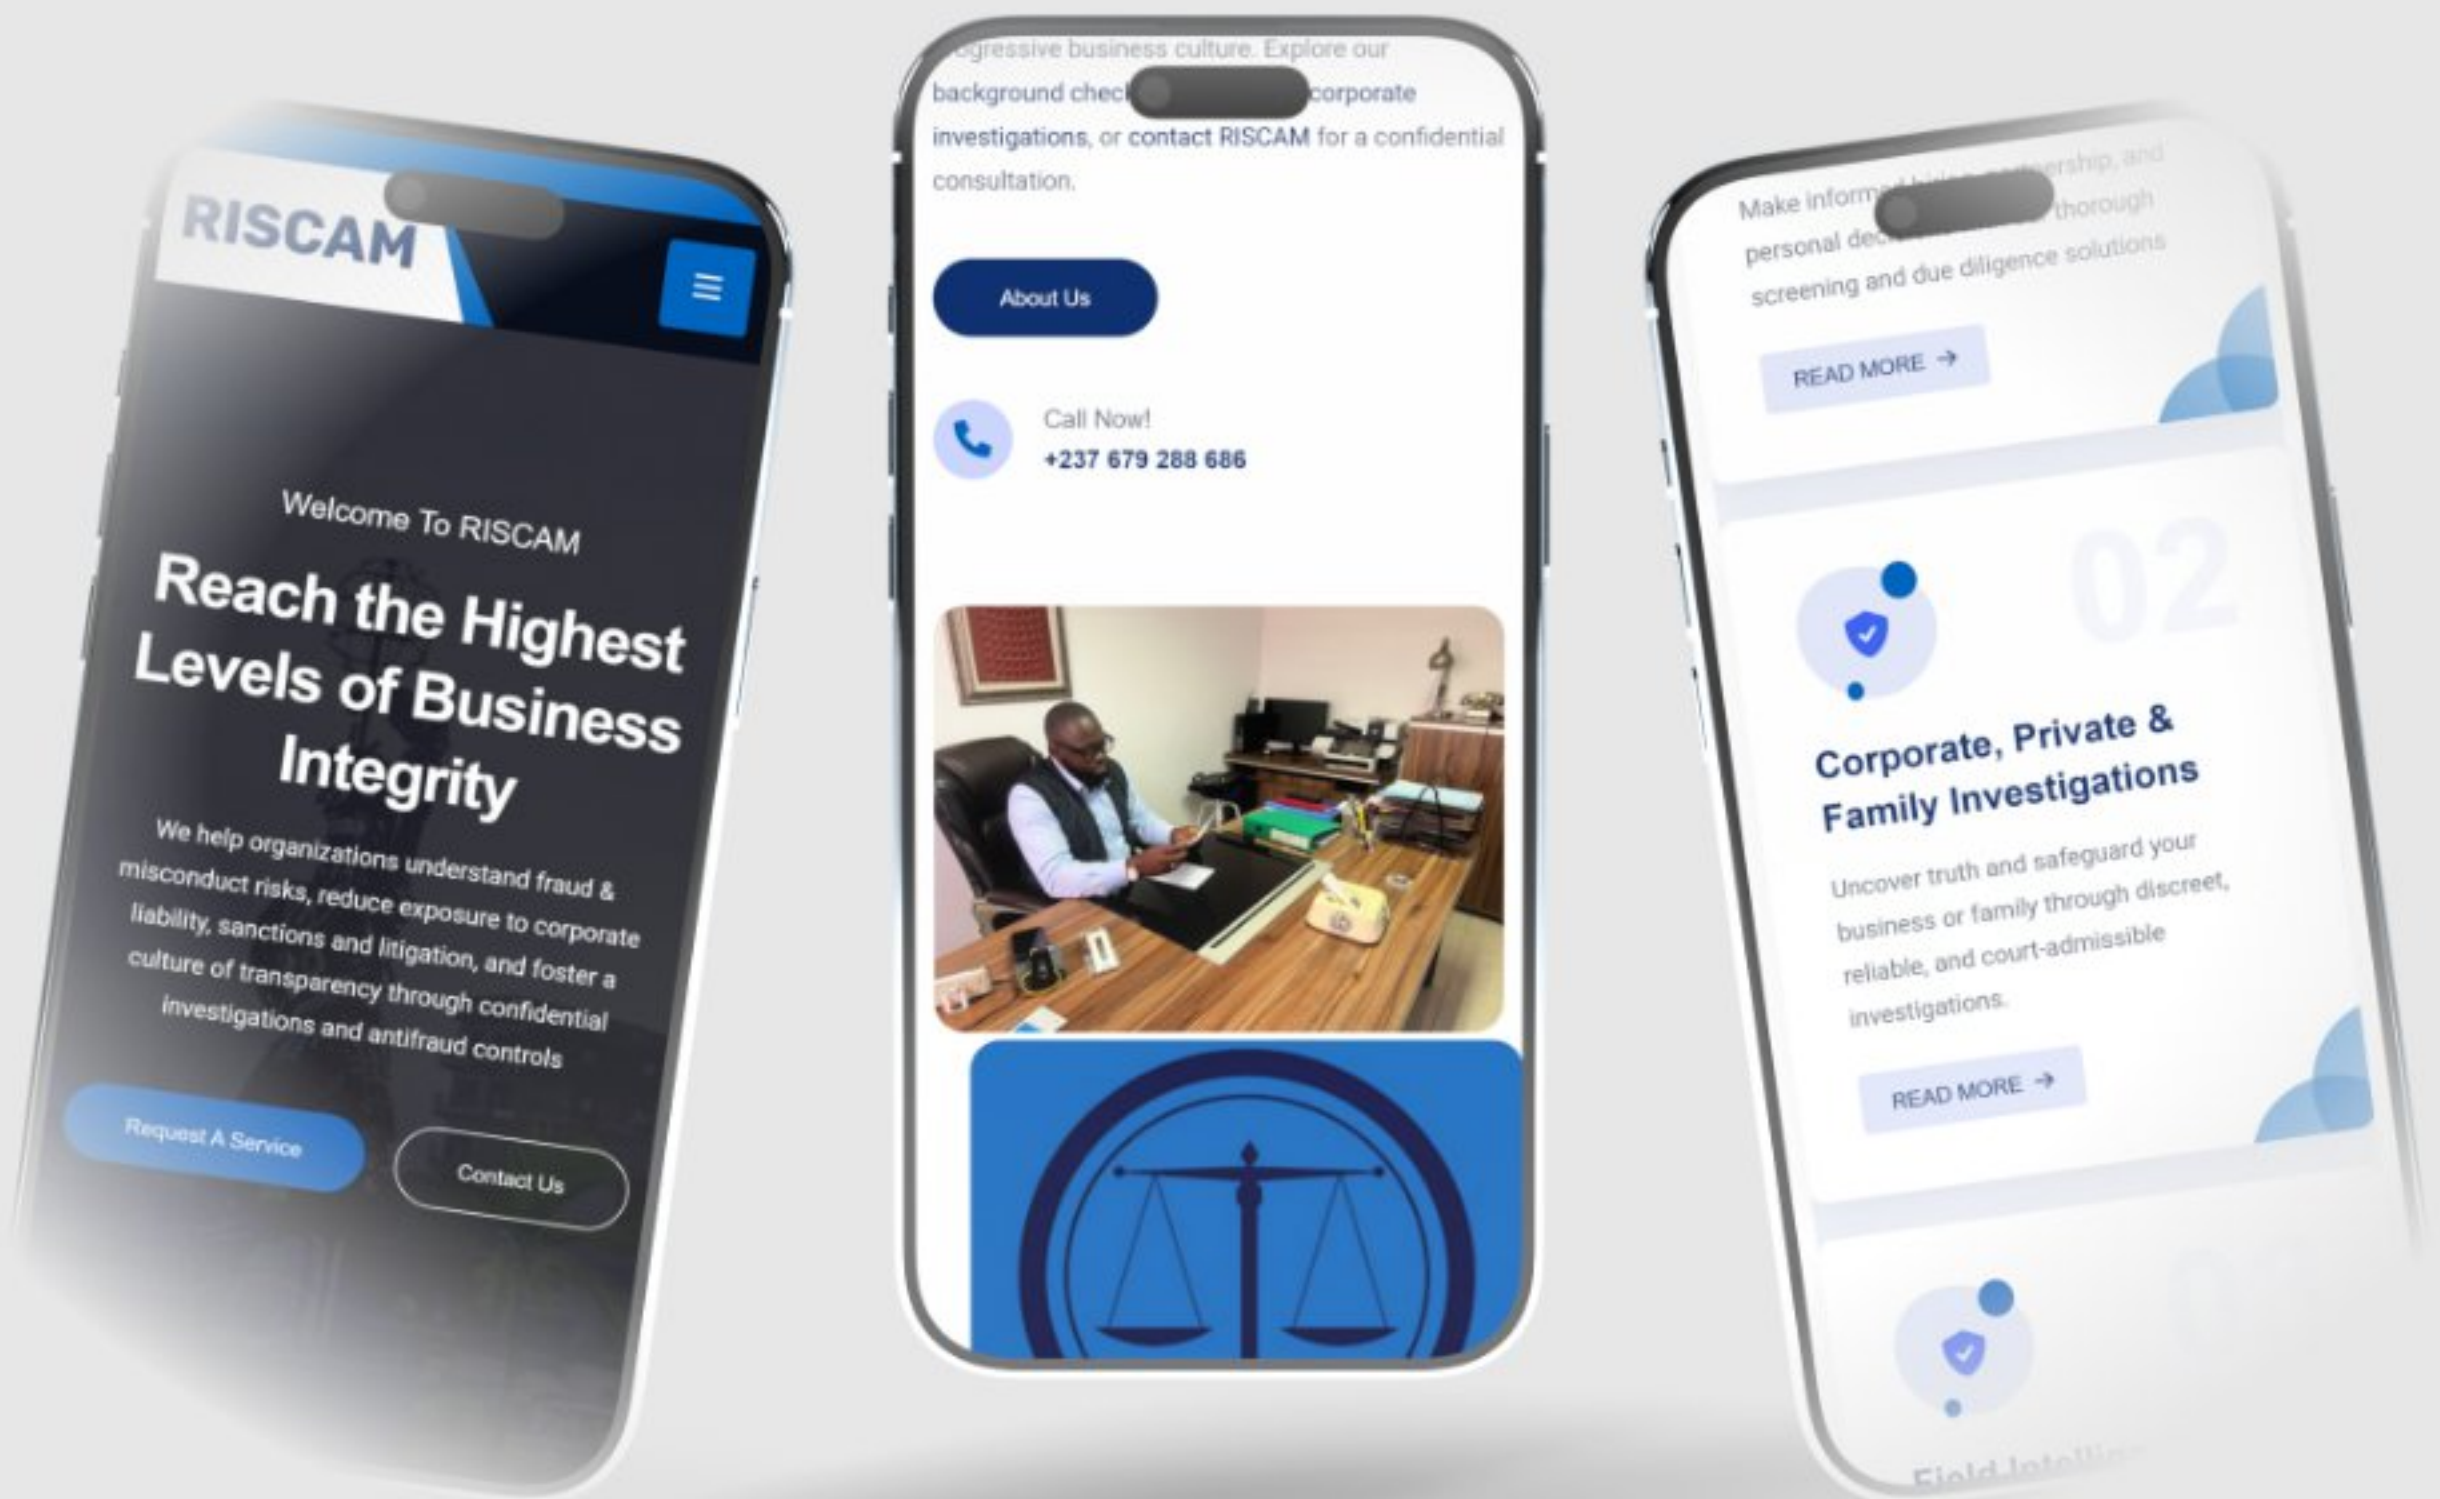

MOBILE

Easy on the phone

EVERY PAGE

Made for mobile
